TEACH ME TONIGHT

WRITERS SAMMY CAHN, GENE DePAUL

Did you say that I've got a lot to learn Well don't think  
I'm trying not to learn Since this is the perfect spot to  
learn Teach me tonight Starting with the ABC of it  
Getting right down to the XYZ of it Help me solve the  
mystery of it Teach me tonight The sky's a blackboard  
high above you And if a shooting star goes by I'll use  
that star to write "I love you" A thousand times across  
the sky One thing isn't very clear my love Teachers  
shouldn't stand so near my love Graduation's almost  
here my love You'd better teach me tonight I've played  
loves scenes in a flick or two And I've also met a chick  
or two But I still can learn a trick or two Hey teach me  
tonight I who thought I knew the score of it Kind of think  
I should know much more of it Off the wall, the bed, the  
floor of it Hey teach me tonight The midnight hours  
come slowly creeping When there's no one there but  
you There must be more to life than sleeping Single in  
a bed for two What I need most is post graduate What I  
feel is hard to articulate If you want me to matriculate  
You'd better teach me tonight What do you get for  
lessons Teach me... come on and teach me... teach me  
tonight
