"Two Hearts Don't Always Make A Pair"
You loved him like you never loved before
And then one day he's walking out your door
You wanna cry your eyes out and you do
Only heaven knows the hell you're going through, but
Chorus:
Two hearts won't always beat as one
You think you have it wrapped up
And it all comes undone
A losin' hand is commonplace
But a winning hand is rare
Two hearts don't always make a pair
Every hand you hold looks low to you
'Cause you still can't deal with what he put you through
But you know in time you'll have to come around
'cause love is still the only game in townand
(Repeat Chorus)
