What a difference you've made in my life,  
What a difference you've made in my life  
You're my sunshine day and night.  
Oh, what a difference you've made  
In my life.

[Orchestral Interlude]

What a change you have made in my heart,  
What a change you have made in my heart,  
You've replaced all the broken parts.  
Oh, what a change you have made...

In my heart.

Love to me was just a word in a song  
That had been way over-used.  
But now I've joined in the singing  
Cause you've showed me love's true meanin'  
That's why I want to spread the news.

What a difference you've made in my life,  
What a difference you've made in my life,  
You're my sunshine day and night  
Oh, what a difference you've made...

In my life.

[Orchestral Interlude]

What a difference you've made in my life  
)Listen to me)  
What a differencer you've made in my life,  
You're my sunshine day and night  
Oh, what a difference you've made  
Yeah.

What a difference you've made in my life,  
What a difference you've made in my life  
You're my sunshine day and night...
