(Kent M. Robbins)

How do some folks stay in love  
Like a honeymoon couples that can't get enough  
How can love be tender yet so tough as it grows  
I've left you and I've come back  
So many times I can't keep track  
What is it one of us lacks do you know?

When I stop leaving I'll be gone  
When I stop leaving you I'll be gone  
Love's not gettin' any clearer  
Sometimes I think it's all done with mirrors  
When I stop leaving I'll be gone.

I need you and you need me  
Atill we pay for love, love that's free  
Should we hang together or independently and let it go  
I come back each time I leave  
We make love then we shout and scream  
Bottom line time what does it mean, oh, do you know.

When I stop leaving I'll be gone  
When I stop leaving you I'll be gone  
Love's not gettin' any clearer  
Sometimes I think it's all done with mirrors  
When I stop leaving I'll be gone.

When I stop leaving I'll be gone.  
When I stop leaving you I'll be gone...
