So Missing
One fall, White snow
Wander Wander Secret love
Missing you like hide and seek

Kono deai no yuku sue wa
Wakare nan datte koto
Mienai furi wo shi teta

Hontou wa saisho no toki kara
Shira sarete ita owari

Sotto fure au yubi saki
Eien no you na kisu wo kawasuu

So Slow shizuka ni keshiki ga so matte
Kimi no ho o wo shiro ku yurasu
