I was watching as you were talking and day turned into  
dreams  
Light keeps fading  
Now we're both strangers as I fall to my knees

Come on and get me high

Tonight  
Tonight  
We're living on borrowed time  
Tonight  
I won't lie  
We're living on borrowed time  
Sinking slowly so it always feels like we'll never get out  
alive  
Tonight  
Tonight  
We're living on borrowed time

Cold rain falling  
These words get farther from what we really mean  
Dust has settled your eyes towards heaven  
The devil never sleeps

Come on and get me high

Tonight  
Tonight  
We're living on borrowed time  
Tonight  
I won't lie  
We're living on borrowed time  
Sinking slowly so it always feels like we'll never get out  
alive  
Tonight  
Tonight  
We're living on borrowed time

We're living on borrowed time  
We're living on borrowed time  
Tonight  
Tonight

Come on and get me high

Tonight  
I won't lie  
Come on and get me high

Tonight  
Tonight  
We're living on borrowed time  
Tonight  
I won't lie  
We're living on borrowed time  
Sinking slowly so it always feels like we'll never get out  
alive  
Tonight  
Tonight  
We're living on borrowed time
