My blood runs red from the streets to the sewers
To the blue black ocean
I'm caught in the tide but I don't mind if you don't mind

I wash away the filth of the city
And I lose myself here right before your eyes
But I don't mind if you don't mind

I'm all right
I'm all right
I'm all right
I don't mind if you don't mind
I'm all right
I'm all right

I watch the rain fall clean from the heavens
As the skies part open I search for a sign
But I don't mind if you don't mind

Collecting dust in lines on the pavement
In this sweet surrender
Running out of time
But I don't mind if you don't mind

I'm all right
I'm all right
I'm all right
I don't mind if you don't mind
I'm all right
I'm all right

I'm all right
I'm all right
I'm all right
I don't mind if you don't mind
I'm all right
I'm all right

I wish that you could see
All that's left of me
In this land of broken dreams
I still try to believe

I'm all right
I'm all right
I'm all right
I don't mind if you don't mind
I'm all right
I'm all right

I'm all right
I'm all right
I'm all right
I don't mind if you don't mind
I'm all right
I'm all right
I'm all right
I'm all right
I'm all right
I don't mind if you don't mind
I'm all right
I'm all right

My blood runs red from the streets to the sewers
To the blue black ocean
I'm caught in the tide but I don't mind if you don't mind
