I was waiting on the clouds to break  
I was praying for a chance to take  
And every sleepless night that I have known  
Has brought me here and so I hope  
That times will change, and I'll feel safe and you won't  
go away  
Yeah, times will change, and I'll feel safe and you won't  
go away

[Chorus]

And there is a story here, I feel it  
I've searched for something real, and I believe this  
You found me on the ground where I was bleedin'  
And you came around  
I'd had enough, I'd given up, I was broken  
Left to rust, hollowed out, life seemed hopeless,  
Here you are, you see my scars, but still you're dryin'  
these eyes  
Cause you are my, you are my, you are my reason why  
You are my, you are my, you are my reason why

I was searchin' for a place to go, somewhere to rest my  
head  
I'm tired of being alone  
And if there's room for me inside your bed  
Just keep me warm, and don't forget  
That life is sweet, so no regrets, and let's not sleep  
alone  
Yeah, life is sweet, so no regrets, and let's not sleep  
alone

[Chorus]

And what would you say, if I told you my secrets  
If I sang you my song  
Would you walk away, or would you hold on

I'd had enough, I'd given up, I was broken  
Left to rust, hollowed out, life seemed hopeless  
But here you are, you see my scars, and you're still  
dryin' these eyes

You are my, you are my, you are my reason why

I'd had enough, I'd given up, I was broken  
Left to rust, hollowed out, life seemed hopeless  
But here you are, you see my scars, and you're still  
dryin' these eyes

You are my, you are my, you are my reason why  
You are my, you are my, you are my reason why  
You are my, you are my, you are my reason why
