Your silly notes  
Your gypsy clothes are all scattered around in my head  
It's been so long since I had a home  
You're the only thing that comes to mind  
When I think of the place that I need to be when I sleep

You and me  
You and me  
You and me gotta love  
I can't explain but we've aped more than most to get  
here  
So I pray that this time we both understand  
That from Belgrade to Boston we're much better off  
holding hands

An envelope that you scribbled on  
And those old grey pajamas that I used to wear  
Crumbled up on your side of the bed  
And I can't quite explain what I mean but I'm trying so  
hard  
The windows are closed and the air's blowing hot but  
I'm freezing

Oh  
Darling come home  
'Cause winters alone are like punishments for things  
That we haven't done wrong  
And I know  
Time apart  
It won't last  
'Cause from Belgrade to Boston we're much better off  
holding hands  
We're much better off holding hands  
We're much better off holding hands

Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah

Oh  
Whoa
