"Tell Me So"

Like lights flashed on subway cars
She shines on something sad in dark
Scream through grey and filthy space
Hurling towards some secret place

My high school sweetheart had pretty blue eyes
She's the reason to wake up in someone else's life
I swear to God
Sometimes I can hear her say, "If this is what you want
just let me know
Just let me know"

But if this is love
Love
Someone tell me so
And if this is love
Love
I won't let it go

We travel light just for effect
Turn love struck girls to shattered things
All the while we smile and think of comfort that the
darkness brings

These bleak winter roads won't carry us home
The sky lays a blanket of virgin white snow
Is anyone listening or am I alone

And this is the place she was starving to fit in
And I'm a mistake she wanted to live with

But if this is love
Love
Someone tell me so
And if this is love
Love
I won't let it go

You don't gotta keep me but tonight please keep me
warm
You don't gotta keep me but tonight please keep me
warm

If this is love
Love
Someone tell me so
And if this is love
Love
I won't let it go

I won't
I won't let it go
Oh

If this is love
Love
Love
Someone tell me so
If it's not love
Love
Oh
Please let me go
