

## Ron Pope "Whatever It Takes"

Visit "[Whatever It Takes](#)" on MotoLyrics.com

It is late and I am cold  
Nothing's changed except for the snow  
I've been waiting on an answer,  
Hoping I could call your bluff  
I've been giving second chances  
Tinking maybe I gave too much

What you want from me  
It's not something I could give you for free  
And all I know in this life is you can't stop breathing

Whatever it takes  
Just tell me you'll stay with me forever  
Don't turn away  
Just tell me you'll stay  
'Cause when we're together I see stars above the  
headlights  
And they don't seem so far away

Whatever it takes  
Just tell me you'll stay  
Whatever it takes  
Whatever it takes

I am shamed and you are lost  
We both ache for things we ain't got  
I was praying that you'd find me  
Teach me something I don't know  
I was praying that you'd find me  
Praying that you'd guide me home

What you want from me  
It's not something I could give you for free  
And all I know in this life is you can't stop breathing

Whatever it takes  
Just tell me you'll stay with me forever  
Don't turn away  
Just tell me you'll stay  
'Cause when we're together I see stars above the  
headlights  
And they don't seem so far away

Whatever it takes  
Just tell me you'll stay  
Whatever it takes  
Whatever it takes

I'm afraid of things I don't know  
And I miss your face whenever you're gone

Whatever it takes  
Just tell me you'll stay with me forever  
Don't turn away  
Just tell me you'll stay  
'Cause when we're together I see stars above the  
headlights  
And they don't seem so far away

Whatever it takes  
Just tell me you'll stay  
Whatever it takes  
Whatever it takes  
Whatever it takes
