You've Started to notice the sins on your windows
as the tears run down on your pillows
and you don't know why they chose you
Now you realise what you've gotta do
You hope that you can feel them call
when your body starts to fall
you can hear the hundreds of them say
will you come or will you stay

(Pre Chorus)

I know that it's a no go
for what you've gotta show
as you look into that mirror
and realise whats familiar

(Chorus)

As tomorrow brings the same today
and same the next few days
tomorrow mirrors

What you say

what you do

What you are

Tomorrow mirriors the same today

and the memory begin to stay

Tomorrow and everyday

Because tomorrow mirrors

What you are what you do what you say
