I'm going down to Lebanon, Tennessee
From where I stand, it's as good a place as any
Don't know anybody there
And nobody knows me

There'll be a job in Lebanon, Tennessee
I'll work on a farm, I'll work in some factory
And I'll buy myself a home down there
You can get one pretty cheap

Get off the bus on the border of town
Head in from the East
Walk into a bar, take a seat in the corner
Be a man of mystery

Folks don't treat you mean in Lebanon, Tennessee
But like a human being, they'll take you in off the street
They'll bring you in their homes down there
And give you something to eat, yeah

I'm going down to Lebanon, Tennessee
