secret heart
what are you made of
what are you, so afraid of
could it be, three simple words
or the fear of being overheard
whats wrong?
let her in on your secret heart

secret heart
why so mysterious
why so secret, why so serious
maybe your, just acting tough
maybe your just, not man enough
whats wrong?
let her in on your secret heart.

the very secret, your trying to conceal,
is the very same one, your dying, to reveal,
go tell her how you feel

secret heart,
come out and share it
this loneliness, few can bear it
could it have, something to do with
admitting that you, just cant go through it alone,
let her in on your secret heart.
