"Speaking With The Angel"

He don't know how to lie or undermine you
He don't know how to steal how to deal or deceive
So leave him alone set him free, 'cause he's speaking
with the angel
Speaking with the angel that only he can see

You say he's so helpless but what about you
You don't pull the strings don't you know anything
Leave him alone let him be, 'cause he's speaking with
the angel
Speaking with the angel that only he can see

Would you teach him about heaven
Would you show him how to love the earth
Would you poison him with prejudice from the moment
of his birth

He in the name of love in the blood of the lamb
He that never lays the blame, he don't even know his
name
So leave him alone set him free, 'cause he's speaking
with the angel
Speaking with the angel, the very one that spoke to you
and me
Oh, do you remember?
