Mom says I'm a bad boy  
My neighbor says I am a criminal  
Children say I am the boogieman  
The priest says I will go to hell

You are free to say whatever you want  
You are free to do what you want  
I will always be as I am  
I will always be as I am

My ex girlfriend says I'm a killer  
Judges say that I am guilty  
The bourgeoisie say I'm rubbish  
When I walk people close their eyes

Don't blush don't blush  
When I dance with a doll  
Don't blush don't blush  
When I dance with a guy  
Don't blush don't blush  
When I dance with a dog, uo uo uo

Sorry but I am the superstar  
Sorry but I am the only one  
Sorry but I am the superstar  
Sorry but I am the only one

My psychiatrist says I've a lot of problems  
My best friend says that I'm dangerous  
My teacher says that I am an ignorant  
The priest says I will go to hell

Don't blush don't blush  
When I dance with a doll  
Don't blush don't blush  
When I dance with a guy  
Don't blush don't blush  
When I dance with a dog, uo uo uo

Sorry but I am the superstar  
Sorry but I am the only one

Sorry but I am the superstar  
Sorry but I am the only one
