As I love the sun, boy, I will always love you
So don't be, don't be, thinkin' I'm goin' away
No matter how you hide, boy, I will always find you
So don't be, don't be, tryin' to get away

But you keep gettin' away
You keep gettin' away
And I tell you, it's makin' me mad!
But you keep gettin' away
'Gotta scratch my head and say,
This is gettin' really bad!
That's why I say

(chorus)
I wanna live insida you
Take me to where the world is yours
I wanna live insida you
Wanna see it like you do

It's been a year now chasin' after you

It's been a year now playin' games
Don't sandals dance with shoes?
You play me like a yo-yo
Up and down up and down up and down up and down

You gotta know you will be mine

As I love the sun, boy, I will always love you
But tell me, tell me once again your name
I know it's true that I don't even know you!
I'm just havin' fun playin' the game
That you keep gettin' away
That you keep gettin' away
It just makes me want you more
And I can't help but say that I'm hopin' hard today
You'll come knockin' on my door
That's why I say

(chorus)

I wanna live insida you
Take me to where the world is yours
I wanna live insida you
Wanna see it like you do

(bridge)
It's been a year now chasin' after you
Don't roses dance with daffodils?
It's been a year now playin' games
Don't sandals dance with shoes?
You play me like a yo-yo
Up and down up and down up and down up and down
