Sometimes I wish you were mine  
Sometimes I wish you were kind  
If you let me in I'll promise you  
All the things you want me to  
Sometimes I wish you were mine

This time life changes  
This time life changes

I realized in the past all I've done  
is not what I want to do now  
It doesn't matter how hard I try  
I can't be what you want me to be

It's a two way street

It's been such a long time since I left from there  
It's been such a long time since I saw this place  
fading fast all the memories  
yesterday seemed far away  
all the rooms and the hallways  
it hides all that we would say

This time life changes  
This time life changes

I realized in the past all I've done  
is not what I want to do now  
It doesn't matter how hard I try  
I can't be what you want me to be

It's a two way street
