There's no doubt you're good lookin', I'll say  
And know I see you're lookin' my way  
Say you wanna get to know me better  
Show me you're side of town  
I feel it when we're walkin', and I know  
You're not just tend to talkin', oh no  
I don't want to lose this new thing  
'Cause it could be a good thing,hello  
Don't say you love me  
'Cause I feel it too  
But I don't think I'm ready yet  
To make that move  
So give it just a minute,hold tight  
I'm not ready to commit it my life  
Yeah you're a real fine guy,  
But you're gonna have to try to be a good friend to me  
You keep on pushin' everyday  
You realize you're pushin' me away  
I wanna tell ya slow down,hold up,show me a little real  
love,wait  
I know you think you're showin'me that you care

But right now,baby,I'm not goin' there  
So give it just a minute,hold tight  
I'm not ready to commit it my life  
Yeah you're a real fine guy  
But you're gonna have to try to be a good friend to me  
Come on,let me hear you say I'm worth it  
You say you'll be my man,I need a gentle man  
And I'm countin' on you  
So give it just a minute,hold tight  
I'm not ready to commit it my life  
Yeah you're a real fine guy  
But you're gonna have to try to be a good friend to me  
(So give it just a minute,hold tight)  
I'm not ready to commit it my life  
Yeah you're a real fine guy  
But you're gonna have to try be a good friend to me  
Yeah
