When I lost faith
You believed in me
When I stumbled
You were right there
For every act of love you've done
I owe you one...
There were hard times
I know we survived
Just because you stayed by my side
With all I have, with all I am
I promise you all my life...
Chorus
Whenever the road is too long
Whenever the wind is too strong
Wherever this journey may lead to
I will be there for you
I will be there for you...
Through sorrow
On the darkest night
When there's heartache
Deep down inside

Just like a prayer, you will be there

And I promise you all my life...

Repeat chorus
