There you go flashing fever from your eyes...

Hey baby come over here shut them tight

I'm not denying...we're flying above it all

Hold my hand...don't let me fall

You've such amazing grace

I've never felt this way

Ooh show me heaven cover me...

Leave me breathless

Ooh show me heaven please...

Here i go i'm shaking just like a breeze

Hey baby i need your hand to steady me..

i'm not denying...i'm frightened as much as you

Though i'm barely touching you

I've shivers down my spine...and it feels divine

Ooh show me heaven...cover me

Leave me breathless

Ooh show me heaven please..

Do you know what its like to dream a dream

Baby hold me tight and let this be...

Ooh show me heaven cover me...

Leave me breathless

Ooh show me heaven...please
