Love was always letting me down

You know what I mean

The man of my dreams

Should knock me off my feet

Like you're doing now boy

Now you figured it out boy, how boy

How did you reach down inside and

find a butterfly

Im a butterfly

Learning how to fly

(chorus)

These wings they fly away, high away

I want to hide away

These wings they fly away, high away

I want to hide away, oh

Hard, ever day was so hard

But now dont they go by

Like riding a slide

Get to the end, fly off into the night boy night

Everything is so right boy right

Now I could just circle the moon and bring it back to

you

Bring it back to you

Theres nothing I cant do

Repeat Chorus

Like youre doing now boy

Now you figured it out boy, how boy

How did you reach down inside and

Find a butterfly

Im a butterfly

Watch me fly

Repeat Chorus(x2
