"Unbreakable Heart"

An empty room, a broken fairy tale
A hollow girl with empty arms
From an angel's tears God made the stars
Why can't He make me an unbreakable heart
In my blue world, you shone like heaven's fire
And left me cryin' in the dark
How could anyone be so hard
Did you think I had an unbreakable heart
I suppose I should know
Sometimes love just comes and goes
But I believed, foolish me
We'd go on and on
One day, someone will come to you
And rock you tightly in her arms
Please remember this, when you drop your guard
Nobody has an unbreakable heart
From an angel's wings to a fallen star
God makes everything but unbreakable hearts
