Even though I'm just a... I told you I'mma run it  
... and fuck the world and now a nigga often coming  
I just came up from the bottom  
Now I'm chilling on the balcony  
Cause I'll be in the building, doing work... faculty  
Cause nowadays... we're balling like an athlete  
... you're feeling like a...  
... has to be... no masterpiece  
I'm not your average artist, every track I rap some  
masterpiece  
I'm just a living legend who is yet to reach...  
That's the blessings... to beat these rhymes  
I mean, have you heard my songs?  
You can google with your mind  
Yeah they're great, yes I'm... in line  
I could probably use a tutor, cause I'm new to all this  
buzzing  
But I show them how I do it, I just do it, call it fuck it  
And when I go home, but fuck it  
Cause I'm used to all or nothing  
And it's fuck it, cause I remember when I do this all for  
nothing  
Now is nothing! And damn, that's something!

Killin... getting paper, mother fucking hater  
Started me with me walking... drinks are balling like the  
Lakers  
So I'm smoking California, just to... the feeling  
I'll be gaining when I see these rap records back in the  
millions  
And my... have to know, it's more like motivation.  
... example of a nigga, with a drink that goes and taste  
it  
And I made it, but still I'm getting hated, only waited  
Busy trying to find some shit that I can spray this paper  
on it!  
I'll be on a grind, 24/7  
Seeing line after line, that's...  
I'm an automatic weapon, every day I drop bombs  
And the whole world can kill a...  
Every day I'm all... so connected to the universe

I did it, independent, just to show you what I truly  
worth!  
When all the lies are telling... how truly hurts  
So when you say I'm truly dirt, that really mean I'm truly  
first!
