Seven, eight, onw two, ..to me an angel  
Words can't explain how much I thank you  
So I'mma hit my needs and fall my hands  
Up and slow popping, and my body and my man up

The most beautiff in this wold, no a ..., beside of my

My days away for that torture, have in my life, it's 'aint

Been round your mother since the teenager, what's
