We getting money...

[Hook - 4x]

I got them rubber bands, wrapped round that  
guacomole  
I'm the dope man, nigga you got to know me  
Cause I'm a hustler, I'm a hustler  
I'm a hustler, satisfying customers

[Kyleon]

My whole team focused, don't adjust your lens  
22's kitted up, how i adjust my Benz  
It's M-O-B with me, I only cuff my ends  
And only date dime bitches, that'll fuck my friends  
This ain't hit-hop, that shit dead nigga  
Fuck who rap hard, It's about bread nigga  
And I'm a bread winner, and a bread spender  
And I'ma keep getting mo', till I'm fed dinner  
I gotta eat mayn, yeah that's mandatory  
Killa's a heavyweight, that's self explanatory  
Still move that heavyweight, up out my laboratory  
I'm rich you broke bitch, not in my category  
Yeah I push and I push, I ride and I ride  
In that new garden blue, I dip and I drive  
With the baddest bitch, I ain't slipping I slide  
With that big burner, empty clip and you die

[Hook - 2x]

[Kyleon]

I got them poking out the frame, wrapped in yellow and  
the white  
Diamonds poking out my chain, wrapped in yellow and  
the white  
In the kitchen with the caine, got the yellow and the  
white  
I done ran out of purple, now it's yellow in my Sprite  
She got candy on her body, 84's on her feet  
Junk off in her trunk, now that bitch complete  
Keep some'ing in my seat, 'case a hater try to creep  
Click-clack skeet-skeet, they maker they fin to meet

And yeah I got em for cheap, it just depend how much  
you buying  
If it's a hefty demand, then I'm supplying  
Network yeah I'm losing the weight, not pumping iron  
Come at me lose some weight, I'm pumping nine  
Dope man dope man, call me Cube  
Plus I got that oil, like Jiffy Lube  
That's why the wrists is cool, and the fists is blue  
D-1-F-G-N-T, you know how we do

[Hook - 2x]
