[Hook - 4X]

Use to push, nicks and dimes  
Now all I do, is spit a few hits and rhyme

[Kyleon]

Guess who is back in the mix, that's attacking your chick  
Getting top from the bitch, up in back of the six  
It's Killa nigga, from the Outlaw click  
And I don't pay for shit, cause I'm a Outlaw trick  
I'm a rhymer grinder, shiner big timer  
But get you some locs, cause this ice might blind ya  
The truth in the booth, do I need to remind ya  
So if you need a hit, pick one out my binder  
I'm the best with the flow, and it's best that you know  
So don't try to test me, I'm suggesting you bro  
Whites Blacks, even Mexicans know  
Everytime I grab the mic, I be blessing it bro  
Now my fanbase, the hugest dude  
It got the rocks in the watch, like a rubix cube  
And when it comes to these hoes, I'm the rudest dude  
I'm not that nigga, don't confuse me dude

[Hook - 4X]

[Kyleon]

I ride tracks, like a tractor trailer  
I hold down the block, like the Tractor Traylor  
I got a bunch of chicks, I can pack the gator  
I pack a big gat, to attack the haters  
I gotta get money now, I'm relaxing later  
Need a hit you can get it, but I'm taxing playa  
For shorts, I only wear those in the summer  
Now boo, you ain't gotta wear those in the Hummer  
My pockets big, like the 24's on the Hummer  
I just wanna fuck, I don't want your name or your number  
You gotta admit, Killa great with this  
And if you don't believe that, you a atheist  
I know a lot of niggaz, hate this shit  
Cause they don't understand, how I make this shit

I'm number one, that's how I rate this shit  
I got a deal, I'm bout to go state to state with this

[Hook - 2X]
