(I'm rich bitch), how in the fuck you gon count me out  
nigga

I ain't a number job nigga, (no sir)

I'm one of the hottest motherfuckers walking six ten,  
(believe that nigga)

Killa Gorilla nigga recognize the name motherfucker,  
run it

[Kyleon]

I got the streets on lock, from the Wards to the  
Gardens

Woods to the Homes, call Killa Warden

Shit I'm starting, if you talking bout beefing

My 4-5 piece, will leave you in the streets leaking

Killa keep it hood, like A's on a Monday

I'm God like Sunday, legendary like Gaunde

Ball like Fundy, pocket full of cash flow

'Gar full of major gray, cook full of castro

Oil I'm spoiled, not dull but I'll leave a nigga

Shirt full of red, like graffiti

That's what happens, when these rich niggaz don't  
feed the needy

The sheep turn to wolves, the wolves get greedy

My ese Gonzalez, get the work to me speedy

Break a brick down to crack, get it rock like Peedi

I'd be damned if I starve, I'ma let the streets feed me

That fast food, yeah that cash rule the block need me

And cut and call me Scab, but you suckers can't bleed  
me

Or pull down my pants and fuck me I ain't easy, believe  
me

Try and mislead me, or sell me a dream

I ain't buying that, so quit trying that I'm supplying that

Hard white or soft, enough bricks to build a building  
strapped

To my fender walls, riding dirty like Chamili-

Tary, fuck with Kyleon it get scary

I'll have you in a box, buried in a cemetery nigga

(\*talking\*)

Respect that nigga, that name ring bells like LL nigga  
Yeah and oh yeah, as for them rulers and them  
speculations  
It is what it is nigga, don't get mad
