Watch the chrome!
Pour the drink, roll up the weed!
Light the shit off so I can breathe
Let me hit my cup so I can lean
You are now watching the chrome
Shall I proceed?
Hey, pour the drink, roll up the weed!
Light the shit off so I can breathe
Let me hit my cup so I can lean
You are now watching the chrome
Shall I proceed?

Yeah, swangles on my Cadillac, candy on my frame,
bitch
Wood in my palms, oh, shaggle with your main bitch
â€¦got my pack right, Jenny got my chain lit
Balling like I'm keeping all my load under the same
shit.

Lame switch, salute me, major pain, bitch
Got a house with thirty women
How am I my favorite playing shit.
While niggas are in the street shot
Can trying to sink me like a slay shit
Me and killers was in â€¦ platinum
Like Vicky in a brain, bitch!

Money on my brain, bitch
About to give me brain quick
Girl, I just want someâ€¦
Knocking blue magic through my vein, bitch
Riding dirty, three in the morning
That was on my grind bitch
..fuck off the game, bitch!

Super poker, I'm like a priest
Fucking off the cane, bitch
Super poker, I'm like a priest
Fucking up my brain, bitch
..wet like a sea

â€¦like you rain, bitch
I'm back to me being a beast on a beast,
Never on that land shit
On the mic I feel like Django unleashed
You're on the slave shit, nigga!

Yeah, OK, I'm back at it like crack addicts
Me and killers like Jordan we're pimping away
We're shitting on these red Vegas.
Ever since your boy dropped blue magic,
Niggas no near my text breaking
..with the best and the rest of the niggas is just some..
Eating good, I'm a cash addict
More green, I'm a dawg fiend
With a flow mean like Joe green
Get hybrid when I go green!
Keep two cops, we'reâ€¦
And screw juice like..
We run shit, we hit rec
There's a no wind for your team.
Our true storyâ€¦
Cause a real boss never take losses
Independent till I see a mill
I don't need a deal, I makeâ€¦
I'm a CEO with my own brand
Since 15 been a grown man
And I write rhymes, I write checks
Did the whole album with noâ€¦
I go in, that's no exit
This H town, I'm so texting
No type O, I needâ€¦ it's so reckless
Let's tell facts, we're the best rappers
Weâ€¦ these niggas!
We're shitting on em like tissue paper
No competition, we're weak nigga!
