I'll remember it forever  
Comic Books show me the way  
I've had fun, reading Mad  
Monsters and Custom Cards

I'll remember it forever  
The old shop near home  
Jack "King" Kirby drove me crazy  
And I want you today

Comic Books show me the way  
Silver Surfer, Iron Man  
The Thing and Spiderman

I'll remember it forever  
Comic Books show me the way

Monsters and Custom Cards

I'll remember it forever

And I want you today

Comic Books show me the way  
Silver Surfer, Iron Man  
The Thing and Spiderman

Silver Surfer, Iron Man  
Red Skull and Lava Man  
The Avengers and X-Men
