cuz i look to da sky
n see da stars n da moon
theres so many colours
so many clours
ill have to show u

take my hand and come into ths place
this place of perfection
where i can see ur face
under the setting sun that glows so red
to describe its colours
words cant be said
the water glows and we lie on the sand
the sun goes down just as planned

cuz i cant believe this place with you next to me
the last of the sunlight
sparkles on the sea
i cant believe this place with you next to me
as i watch the stars
i feel so.....free
i feel so.....free
i feel so.....

if the world should end
right here right now
i wouldnt give a dam
cuz i gotta see how
the wonderful world
and its amazing sky
i saw the moon shine in ur eyes
if the world should end at tis in point in time
i wouldnt care cuz ur with mine.....

cuz i cant believe this place with you next to me
the last of the sunlight
sparkles on the sea
i cant believe this place with you next to me
as i watch the stars
i feel so.....free
i feel so.....free

i feel so.....

cuz i look to da sky
n see da stars n da moon
theres so many colours
so many clours
ill have to show u
