I wake up to get down  
You and me girl on the ground  
The satellites in the sky  
They can't see through  
Blurry eyes

Got me up  
Against the wall  
Tie my hands back  
So I never found you breathing  
Every night don't deceive me  
Every time

We could drive so far away  
It's not that hard  
The lights go out today  
It's all the same (it's all the same)  
Yeah it's all the same (it's all the same)

'Cause you're not gonna end up frustrated  
In a world when it's complicated  
Yeah oh oh oh oh  
In the hurricane  
Oh oh oh oh  
Hold on to me

Late at night  
I will think  
You and I could  
Just fall into the break down  
The city lights  
No way out  
We're paralyzed

We could drive so far away  
It's not that hard  
The lights go out today  
It's all the same (it's all the same)  
Yeah it's all the same (it's all the same)

'Cause you're not gonna end up frustrated

In a world when it's complicated  
Yeah oh oh oh oh  
In the hurricane  
Oh oh oh oh  
Hold on to me

'Cause you're not gonna end up frustrated  
In a world when it's complicated  
Yeah oh oh oh oh  
In the hurricane  
Oh oh oh oh  
Hold on to me

Just fall into the break down, oooh  
Hold on to me  
So I always feel you breathing (breathing)

'Cause you're not gonna end up frustrated  
In a world when it's complicated  
Yeah oh oh oh oh  
In the hurricane  
Oh oh oh oh  
Hold on to me

'Cause you're not gonna end up frustrated  
In a world when it's complicated  
Yeah oh oh oh oh  
In the hurricane  
Oh oh oh oh  
Hold on to me  
Hold on to me
