Carolina's rain splashes on my face

Florida's sun is watching her every move

Kentucky burnt up with the new year, that has to tell you something

I wasn't ready yet to make the next move

No matter what I hear I'll be right here waiting

No matter what you say I'll be on your side

Don't ever give up here tonight

Sooner or later I know we'll just be dreaming

Anywhere you go, I'll still feel you

Your necklace around my neck, I'm still wearing

It's all frayed now, but I tied a new knot

No matter what I hear I'll be right here waiting

No matter what you say I'll be on your side

Don't ever give up here tonight

Sooner or later I know we'll just be dreaming

Anywhere you go, I'll still feel you

Sooner or later I know we'll just be dreaming

Anywhere you go, I'll still feel you

Anywhere you go, I'll still feel you

Anywhere you go

Anywhere you go

As I sit around right here, you sit around right there

Anywhere you go

As I sit around right here, you sit around right there

I just want to feel this way tonight

As I sit around right here, you sit around right there

Feel this way tonight

As I sit around right here, you sit around right there

Feel this way tonight

Sooner or later I know we'll just be dreaming

Feel this way tonight.
