Watchin' windows
Wonder if he knows
What it could be
If it's meant to be

Watchin' windows
Do they know what I know?
Silently I'm away, I'm away
When I'm

Watchin' windows
Wonder if he knows
What it could be
If it's meant to be

Watchin' windows
Do they know what I know?
Silently I'm away, I'm away

Push me back up on my heels
Come away, come away
Let's get right back to the kill
Come away, come away

I've been looking back in fear
Come away, come away
Let's get right back to
Come on

Watchin' windows
Wonder if he knows
What it could be
If it's meant to be

Watchin' windows
Do they know what I know?
Silently I'm away, I'm away

Push me back up on my heels
Come away, come away
Let's get right back to the kill

Come away, come away

I've been looking back in fear
Come onâ€¦

Watchin'â€¦windows
Wonderâ€¦if he knows
What itâ€¦could be
If it'sâ€¦meant to be

Watchin'â€¦windows
Do theyâ€¦know what I know?
Silentlyâ€¦I'm away, I'm away

Push me back up on my heels
Come away, come away
Let's get right back to the kill
Come away, come away

I've been looking back in fear
I'm away, I'm away
Push me back up on my heels
Come onâ€¦
