You and I we were one
And i swore Id stay forever
But they say all good things come to an end- my friend
Now its time to move on
But dont think that this is easy
Cos its hard to be leaving you behind
But you will be fine

[Chorus:]

Oh so if you believe
Say a prayer for me
I wont be here tomorrow
Somewhere I gotta be
Things you want to say
Save them for another day
Cos i can hear the angels calling

Angels calling for me

Does it help if i say
That im really truly sorry
And that I never meant for it to end- this way
Theres a place in your heart
Where you know you'll always find me
and I'll be with you wherever you are
Near or far

[Chorus x2]

you and I, we were one
And i swore Id stay forever
But they say all good things come to an end - my friend
