Shes got a killer smile  
Shes got devils eyes  
She lives wicked wild  
Wants me to take her home with me tonight

Struts with confidence  
Stood still turning heads  
Well hell yeah she looks so fine  
But theres nothing going on inside that mind

*[Bridge:]*

There was a time in my life  
When that was all I desired  
When that was enough  
But now I want everything,  
Everything yeah

*[Chorus:]*

She dont have what i need  
She dont know just how to please

So shes got the money  
She dont make me feel like Im alive  
Im alive.....Like Im alive  
Like im alive

All heat sparks and fire  
Its just smoke to cloud your eyes  
In the morning when the female is dead and gone  
youll see something in this pictures all wrong

*[Bridge]*

*[Chorus]*

She should be my perfect ten  
And override my common sense  
But she aint got no conversation  
So all I feel is this frustration

*[Chorus]*
