Well, I lost my faith in fellow man  
I've been living alone for so long  
That I don't know who I am  
Why did it take so long?  
Why did it take so long?

I've been waiting a lifetime  
For someone like you to set me free  
Why did it take so long?  
For you to come and rescue me  
Why did it take so long?  
Why did it take so long?

'Cause you're beautiful and everyone knows it  
And you're everything I want you to be  
I got sunshine on my face, my smile shows it  
Well it can't be wrong, 'cause you're so right for me

You're so right for me  
Yeah, yeah  
You're so right for me

Well, it just don't matter if it's wrong or right  
I didnt know something could feel so good  
I've been wasting all my time  
Why did it take so long?  
Why did it take so long?

'Cause you're beautiful and everyone knows it  
And you're everything I want you to be  
I got sunshine on my face, my smile shows it  
Well, it can't be wrong, 'cause you're so right for me

'Cause you're beautiful and everyone knows it  
And you're everything I want you to be  
I got sunshine on my face, my smile shows it  
Well, it can't be wrong, 'cause you're so right for me

You're just so right for me  
You're just so right for me  
You're just so right for me
