One dream, one soul, one prize
One goal, one golden glance, of what should be
It's a kind of magic
One shaft of light that shows the way
No mortal man can win the day
It's a kind of magic

The bell that rings inside your mind
Is challenging the doors of time
The waiting seemed eternity
The day has dawned of sanity

Is this, is this
A kind, a kind
Both: Of magic
It's a kind of magic
Both: There can be only one
This dream will last a thousand years
Both: We will live on

This flame that burns inside of me
I'm hearing secret harmonies
It's a kind of magic
I ring, I ring the bell inside their minds
Both: We're challenging the doors of time
It's a kind of magic
It's a kind of magic

This is this is
A kind a kind
Of magic

There can, there can
All: Be only one

Both: This quest that shapes a thousand years
Will soon be will soon be
Will soon be will soon be
Both: Will soon be done
All: Now we are one

Yeah, yeah, yeah
