Gallileo: Mama, just killed a man  
Gallileo: Put a gun against his head  
Gallileo: Pulled my trigger now he's dead  
Gallileo: Mama, life had just begun  
Gallileo: But now I've gone and thrown it all away

Gallileo: Mama, ooh, ooh, ooh, ooh  
Gallileo: Didn't mean to make you cry  
Gallileo: If I'm not back again this time tomorrow  
Gallileo: Carry on, carry on, as if nothing really matters

Scaramouche: Too late, my time has come  
Scaramouche: Sends shivers down my spine  
Scaramouche: My body's aching all the time  
Scaramouche: Goodbye everybody - I've got to go  
Scaramouche: Gotta leave you all behind and face the truth  
Gallileo: Mama, ooh, ooh, ooh, ooh (anyway the wind blows)  
Gallileo: I don't want to die  
Gallileo: I sometimes wish I'd never been born at all

Khashoggi: I see a little silhouetto of a man  
Scaramouche, Scaramouche will you do the fandango?  
Thunderbolts and lightning - very, very frightening me  
Gallileo: Gallileo, gallileo, gallileo, gallileo, gallileo,  
figaro - magnifico  
Gallileo: I'm just a poor boy, nobody loves me  
He's just a poor boy from a poor family  
Spare him his life from this monstrosity

Gallileo: Easy come, easy go, will you let me go  
Bismillah! No - we will not let you go, let him go  
Bismillah! We will not let you go, let him go  
Bismillah! We will not let you go  
Gallileo: Let me go, will not let you go  
Gallileo: Never, never, never, never let me go  
No, no, no, no, no, no, no  
Gallileo: Oh, mama mia, mama mia  
Mama mia let me go  
Beelzebub has a devil put aside for me - for me - for

me  
Gallileo: Yeah

Killer Queen: So you think you can stone me and spit in  
my eye?

Killer Queen: So you think you can love me and leave  
me to die?

Oh, baby, can't do this to me baby  
Just gotta get out - just gotta get right outta here

Oooh yeah, oooh yeah

Gallileo: Nothing really matters

Scaramouche: Anyone can see

Gallileo: Nothing really matters - nothing really matters  
to me

Anyway the wind blows
