(undecipherable distorted lyrics) yeah it's a, yeah it's a,

(God works in mysterious ways)  
(Mysterious ways)  
(undecipherable distorted lyrics)  
I  
(undecipherable distorted lyrics)

Hey, one plan, one goal, one mission  
No heart, no soul, just one solution  
One flash of light, yeah one God one vision  
One comfort zone  
One true religion  
One voice, one hope  
One real decision  
Wowowowowo, oh yeah, oh yeah, oh yeah

Male Voice #1: I had a dream, when I was young  
Female Voice #1: A dream of sweet illusion  
Male Voice #2: A glimpse of hope and unity  
Female Voice #2: And visions of one sweet union  
But a cold wind blows  
And a dark rain falls  
And in my heart it shows  
Look what they've done to my dream

One vision  
So give us your hands  
Give us your hearts  
We're ready  
There's only one direction  
One world and one nation  
One television  
No hate, no fight  
Just excitation  
All through the night  
It's a celebration, wowowowowowo yeah

One, one, one, one  
One, one, one

All we hear is radio ga ga  
Video goo goo  
Internet ka ka  
All we hear is cyberspace ga ga  
Internet ka ka  
Marketing blah blah  
Ahh, ahh

One flesh, one clone  
One true religion  
One voice, one hope  
One real decision  
Gimme us one night, yeah  
Gimme us one hope, yeah  
Just give us ah  
One plan, one scam  
One star, one night  
One day, hey, hey  
Just gimme, gimme, gimme, gimme  
Fried chicken  
Vision, vision, vision, vision, vision, vision
