Yeah, let's go

Get your party gown
Get your pigtail down
Get your heart beating, baby
Got my timing right
Got my act all tight
It's gotta be tonight my little schoolbabe
Mamma says you don't
Daddy says you won't
And I'm bottling up inside
Ain't no way I'm gonna lose out this time

Tie your mother down
Tie your mother down
Lock your daddy out of doors
I don't need him nosing around
Tie your mother down
Tie your mother down
Give me all your love tonight

You're such a dirty louse
Go get out of my house
That's all I ever get from you
And your family ties, in fact I never heard
A single little civil word from you guys
But you know I don't give a light
Gonna make out all right
Got a sweetheart hand
Put a stop to all that
Shouting and fighting
Going on

Tie your mother down
Tie your mother down
Take your little brother swimming
With a brick, that's all right
Tie your mother down, yeah, yeah
Tie your mother down
She ain't no friend of mine
Ain't no friend of mine

Come on, let's go

Oooh, your mumma and daddy gonna
Plague me till I die
They don't understand it
I'm just a peace loving guy
Yeah, yeah

Tie your mother down
Tie your mother down
Big, big, big, big, big, big daddy out of doors
Tie your mother down
Tie your mother down
Give me all your love tonight
All your love tonight
All your love tonight
Give it, yeah
All your love tonight
All your love tonight

Yeah, yeah, yeah
