At midnight when owl hoot
And moon is full, and moon is full
Draw nearing time
I screech frightened
My friends runaway, runaway from
my home
IÃfÂ,'m shakinÃfÂ,' with frightenÃfÂ,'
I know that it isnÃfÂ,'t dream
I know that it isnÃfÂ,'t dream
IÃfÂ,'m turn into LOKI - my tooth is sharp
my claws want break - eyes is glare
my tongue is bloody - IÃfÂ,'m shakinÃfÂ,' with mad
and rushing and rushing - into depth
of black night.
LOKI - LOKI - LOKI
At day break IÃfÂ,'m come back
on my hands is blood
My turn was done
IÃfÂ,'m human again !
But this nothing for me
I wanna be LOKI again !
LOKI - LOKI - LOKI
