I just want to celebrate another day of livin'
I just want to celebrate another day of life

I put my faith in the people
And the people let me down
So I turned the other cheek
And I carry on, anyhow

That's why I'm telling you
I just want to celebrate, yeah, yeah
Another day of living, yeah
I just want to celebrate another day of life

I had my head on the dollar bill
And the dollar bill blew away
But the sun is shining down on me
And it's here to stay

I'm telling you
I just want to celebrate, yeah, yeah
Another day of living, yeah
I just want to celebrate another day of livin'
I just want to celebrate another day of life

Don't let it all get you down, no, no
Don't let it turn you around and round and round and
round

Well, I can't be bothered with sorrow
And I can't be bothered with hate,
I'm using up the time
But feeling fine, every day

I just want to celebrate, yeah, yeah
Another day of living, yeah
I just want to celebrate another day of livin'
I just want to celebrate another day of life

Don't let it all get you down, no, no
Don't let it turn you around and round and round and
round

(I just want to celebrate
I just wanna)
I just want to celebrate
I just want to celebrate
I just want to celebrate
I just want to celebrate yeah yeah
I just want to celebrate
I just want to celebrate
