[Fiend]

Whomp! Whomp!

Direct to all survivors on the battlefield
Let's hustle up, get blunted up and test you, what the fuck?
Muscle Up, it's very crazy, for all the killings
Humble up, they don't expect like raw dealings, come winter
Bundle up, me and my pistols stay cuddled up
Gone, nigga, Jones nigga, Sleepy Eye from that zone
nigga
Boy they bringing lots of guns, check my home and picture
Besides from every crick that's gone split ya
Memphis I'm hypnotized with it, means some eyes with it
Voice so high with it, 2005 with it
So ride with it or be rolled the fuck over
Fiend's surviving the soldier, grenade thrower

Chorus [Big Ed] (Fiend)

I don't give a fuck, you don't give a fuck (We can get it on)
We don't give a fuck, we 'bout to get buck
I don't give a fuck, you don't give a fuck (We can get it on)
We don't give a fuck, we 'bout to get buck

Rip off my shirt, at concerts, 'cause I'm tatted up
Never worrying about them bustas, my niggas gatted

We lock in down in every town 'cause we got it solded

In the hood it's all good, 'cause they rolling with us
Doing shows at clubs 'cause I don't give a fuck
You can find me in that bitch fucking booted up
Bust a nigga in his head if he tries to run up
