V1.

Cuz'you should have that one wish  
Everywhere you go  
To love and to be loved so,  
Let your speakers blow  
The base is coming strong pumpin'  
On your heart,  
Don't be afraid to show it,  
This's your only shot.  
You gotta be strong, yo,  
Even if it feels wrong just  
Take it real slow  
Take a breath, yo,  
Now take that little "L" word make it  
Big girl,  
I promise every single man will be  
Your shell pearl

Pre-refren.

You gotta fight all lies  
Let no one steal the light in your eyes,  
It's time to play  
Your way,  
'Till there's nothing else to say

Refren

You gotta sing about one wish now,  
Oo-oo-oo-oooo  
The world is watching you so take a vow  
Oo-oo-oo-oooo  
Your happy tears are gonna save the day  
For many of us,  
You gotta sing about your love  
Oo-oo-oo-oooo.  
You gonna sing about Lo-o-o-o-ove

You gonna sing about Lo-o-o-o-ove  
You gonna sing about Lo-o-o-o-ove  
You gonna sing about Love

V2.

Now let me tell you something  
Advice is on this truck  
So take your friends and listen  
cause I'm about to crack,  
Open the box of wonders  
Coming from the heart,  
Don't be afraid to learn it  
This's your only shot  
You gotta send volts yo  
Electrify your hopes yo  
Just take it slow yo  
And feel the air, bro,  
And nothing else we care about right now  
Let's make a statement to the people  
And then let them "WOW"

Pre-refren.

You gotta fight all lies  
Let no one steal the light in your eyes,  
It's time to play  
Your way,  
'Till there's nothing else to say

Refren

You gotta sing about one wish now,  
Oo-oo-oo-oooo  
The world is watching you so take a vow  
Oo-oo-oo-oooo  
Your happy tears are gonna save the day  
For many of us,  
You gotta sing about your love  
Oo-oo-oo-oooo.

-Hold on every little thing that  
Makes you livin your dream  
Just make the most Åut of your life  
And don't you let the few chances get by..  
Take your friends and family and  
Make them your winning team

-Encounter the wonders of love with life..

You gotta sing about one wish now,

Oo-oo-oo-oooo

The world is watching you so take a vow

Oo-oo-oo-oooo

Your happy tears are gonna save the day

For many of us,

You gotta sing about your love

Oo-oo-oo-oooo.

You gotta sÃ¬ng about your love...
