SS501 - Wussup (English)

Real life is better than the internet  
I'm better than what you've heard about me  
Are you ready? now, let's play

You've probably only seen the plain men in pictures  
But I'll prove it to you, I'm different  
Be enticed (enticed) enticed (enticed)

When I walk, step by step  
All the eyes gather to me (gather)  
I waited for a long time  
Now, look at me (hey)

Now, I'm wussup  
What what what wussup (wussup, hey)  
The times of waiting have ended  
A ready, wussup  
What what what wussup (wussup)  
Wussup wussup wussup wussup wussup

Ask your friend's friend  
They've heard of me somewhere  
Make it do what not  
I'm so so so so hot is what

Turn off all the noise  
Make way for me  
From now on, I'm popping my collar (pop) pop (pop)

It doesn't matter what music  
If we're together, my heart races (races)  
I waited for a long time  
Now, for you (hey)

Now, I'm wussup  
What what what wussup (wussup, hey)  
The times of waiting have ended  
A ready, wussup  
What what what wussup (wussup)

Wussup wussup wussup wussup wussup

If you don't know yet, know me  
You can know me in just one second  
I know that you've waited for me  
You've wanted this until now  
Now, look here at me

Now, I'm wussup  
What what what wussup (wussup, hey)  
The times of waiting have ended  
A ready, wussup  
What what what wussup (wussup)  
Wussup (I can't stop) wussup wussup wussup wussup (I  
won't stop)

Now, I'm wussup  
What what what wussup (wussup, hey)  
The times of waiting have ended  
A ready, wussup  
What what what wussup (wussup)  
Wussup wussup wussup wussup wussup
