Sunday
In the morning
I've been Blinded by
Your light

God it's so deep
It changed my mind
I feel free
Like a blue sky

All the bad days
And lonely cries
Do you see it in my face
Illuminated eyes
It's been a while
It's been a while

I feel at home
I feel at home with you

Monday
Lonesome evening
You're inside of me
And I'm smiling

It's a long ride
In the wrong way
I do it all the same
To be at your side

We are living in heaven
I have no doubt
My arms wide open
And my feet on the ground
I choosed this life
Yes I signed the deal
But I feel like I'm looking
For something that I can't find

A life without you
Without love to feel

It's like a day without sun
Without time I mean
Some days you make me cry
It reminds me who I am
And this is why I call you my

Home

I feel at home
I feel at home with you
