Every night I am always dancing
Ganyeorin momeul heundeulgo
Geu rideume gidae ureotji

Every night I am always clubbing
Byeoldareun iyudo eobsi
Geu eumage momeul matgiji

Cause I am free (sweet)

I don't mind to set me free (you don't care)
I don't know (how to find)
But I can only feel
I can only feel
Every night I am always dancing

Amureon miryeondo eobsi
Geu rideumeul neukkigo itji
Every night I am always clubbing
Hanadul sarajyeo gago
Geu eumage momeul jeoksiji
I don't mind
To set me free (you don't care)
I don't know (how to find)
But I can only feel
I can only feel
