Well baby, when I first saw you
We were at the Hippy Rock Show
You called me an ignorant male oppressor
And spat in my face because I like meat
But the first time I got a whiff of that Petuli you were
wearing
Oh I knew it was love, I think we're going to make it

Looks like we made it
Look how far we've come my baby
We might a took the long way
We knew we'd get there I someday
They said, "I bet they'll never make it"
But just look at us holding on
We're still together, still going strong

Still the one I run to
The one that I belong to
Still the one I want for life
Still the one that I love
The only one I dream of
You're still the one I kiss good night

Ain't nothin' better, we beat the odds together
I'm glad we didn't listen
Look at what we might be missin'
They said, "I bet they'll never make it"
But just look at us holding on
We're still together, still going strong

Still the one I run to
The one that I belong to
Still the one I want for life
Still the one that I love
The only one I dream of
You're still the one I kiss good night

Still the one I run to
The one that I belong to
Still the one I want for life
Still the one that I love
The only one I dream of

You're still the one I kiss good night

Looks like we made it
