I said hello, how are you doing?
I think I could be doing fine.
I said hello, how are ou feeling?
We shared a cigarette and had another beer and
The joint was jumpin' at the Cafe', Cafe' 5-0
He sat alone by the window sill.
Nobody knows his name.
He sat alone in a crowded room...

Then he took the stage, did the crazy dance
And the joint was jumpin' at the Cafe', Cafe' 5-0
The an on the corner said
Girl won't you give God a try
She said, right now I'm gonna have
A beer, maybe another time.
